Each of Jane Austen's novels features the arts in some form – from the domestic female accomplishments of playing an instrument, singing, and drawing as practiced by Emma Woodhouse, to the elaborate but private preparations for a performance of “Lover's Vows” in *Mansfield Park*, to the public concert at the Assembly Rooms in *Persuasion*. Presentations at the 2021 AGM explored this fascinating topic.

Presented by the Jane Austen Society of North America
Greater Phoenix Region

Regency attire always admired, but never required.
